```
graph LR; A[Spam 1] --> D[Kontoer kompromittiert]; B[Phishing 4] --> D;
```

The diagram is a flowchart with three rounded rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'Spam' followed by the number '1' on a new line. The bottom box contains the text 'Phishing' followed by the number '4' on a new line. On the right, there is a single box containing the text 'Kontoer' followed by 'kompromittiert' on a new line. Two horizontal arrows originate from the right side of the left boxes. The top arrow starts from the 'Spam 1' box and points to the 'Kontoer kompromittiert' box. The bottom arrow starts from the 'Phishing 4' box and also points to the 'Kontoer kompromittiert' box. The arrows are represented by a horizontal line that turns 90 degrees downward and then 90 degrees to the right, ending in a triangular arrowhead.
